DEVICE DETAILS

NAME OF DEVICE	PULSE OXIMETER
ESTABLISHMENT NAME	ACUCARE SYSTEMS (M) SDN BHD
REGISTRATION NO	GB3982421-79658
BRAND NAME	AEON
DEVICE GROUPING TYPE	SINGLE
DEVICE DESCRIPTION	The Pulse Oximeter A340, based on all digital technology, is intended for noninvasive spot-check measurement of functional oxygen saturation of arterial hemoglobin (SpO2). Advanced DSP algorithm* can minimize the influence of motion artifact and improve measurement accuracy of low perfusion*. The Pulse Oximeter can be used to measure human SpO2 and heart rate through finger.
DEVICE INTENDED PURPOSE	The Pulse Oximeter , based on all digital technology, is intended for noninvasive spot-check measurement of functional oxygen saturation of arterial hemoglobin (SpO2).
VALIDITY DATE OF REGISTRATION	26/11/2021 - 25/11/2026

LIST OF DEVICE

NO	NAME OF DEVICE	IDENTIFIER
1	PULSE OXIMETER	A340
